KILRONAN CASTLE

A BRIEF OVERVIEW OF THE HISTORY OF KILRONAN

Kilronan comes from the Gaelic 'Cill Ronain', which means Ronan's Abbey, the ruins of which are close by, as well as St Ronan's Holy well & the hollow stone he used for the baptism of his followers. The original Castle was built in the early 1800's and belonged to Colonel King Tenison. It was extended by the 12th Earl of Kingston in 1876 with a five storey over basement, baronial tower and battlements. During the Edwardian period, the earl & Countess of Kingston enjoyed the estate until political & social change saw the closure and sale of Kilronan & other country estates both in Ireland & abroad.

The Tenison family originated in Oxfordshire in the era of Edward 1st but fought with the Irish Brigade in France and on behalf of The Pretender, Bonnie Prince Charlie. Their colourful history continued through involvement in the Peninsula Wars in Spain & Portugal. They were represented at The Battle of Waterloo where Napoleon was finally defeated and served as members of The Irish Guards in the Boer War. One was a close friend of the poet John Milton.

Most generations tended to squander their inheritances but then again they or their sons would marry an heiress and their fortunes would bloom again. When Lord Brookborough was Governor General of Ireland it was reckoned that Kilronan Demense was the best shoot in Ireland. In one four day shoot it is said that they shot almost three thousand pheasants. Nearby Lough Allen is the first lake on the Shannon system and one which the Norsemen used to access the rich heritage of Ireland.

This is the region from which the artists, poets and musicians emerged, including Kavanagh, Yeats, McGahern, O'Carolan and Percy French. Roscommon was famous for music in ancient times and Irelands greatest harpist, Turlough O'Carolan, is buried nearby. He was welcomed into the castles of Irish Chieftains like the O'Rourkes of Breifne and his music will live on in special events planned for Kilronan. Kilronan will be offering the hospitality and traditional welcome that has made its sister estate, Lough Rynn so popular.
